Greetings!

This letter is to inform you of recent changes by the State Legislature requiring all taxi cabs and limousines operating in the State of Georgia to register and obtain a new and distinctive license plate between October 1, 2010 and December 31, 2010. There will be a \$25.00 charge in addition to the decal fee and ad valorem tax for this plate.

For vehicle registrations with renewal expirations between October 1, 2010 and December 31, 2010, owners will need to apply for their new plate as they renew. Owners and operators of taxi cabs and limousines already registered for 2010, shall apply promptly on or after October 1 for the new plate. Those companies previously registered must surrender their current plate in order to obtain the new plate and avoid an additional \$20.00 registration fee. The \$25.00 fee for the new plate will also be due.

Enforcement of the new registration with the newly designed plate will begin on January 1, 2011. In order to avoid any fines from law enforcement, you will need to register early enough in order for my office to be able to process your new registration in a timely manner. Should you have any questions regarding this matter, please call my office at 404 613 0105.

Regards,

Arthur E. Ferdinand, Tax Commissioner  
Fulton County
